"You are always in heart"

Inaugurator and Principal of our college **Hon'ble Dr. N. S. Gaikwad** expressed the need of such workshops at college levels that could highlight the grooming personality of students. He tried to point out the need of acquaintances of third language as a part and parcel of each person's life. He further said that everyone should be fluent in communication, as it is a means of heterogeneity among the diversities of regions. He defined and classified soft-skills, its nature and also scope in future. According to him everyone should be vigilant in applying the words and be ready to overcome challenges in communicative competency. He highlighted the situation of resilience where one must be alert and ready to learn everything.
