

E-Resources

□ **NDLI**

National Digital Library of India (NDLI) is a virtual repository of learning resources .NDLI provides user group-specific services such as Examination Preparatory for School and College students and job aspirants. NDLI is designed to hold content of any language and provides interface support for 10 most widely used Indian languages. It is built to provide support for all academic levels including researchers and life-long learners, all disciplines, all popular forms of access devices and differently-abled learners. It is designed to enable people to learn and prepare from best practices from all over the world.
