Subject: Requisition Letter for Industrial Visit

Respected Madam,

I am writing to formally request for an upcoming Industrial Visit at Orange ITech as a part of our educational program. We plan to bring 16 students accompanied by 3 faculties from our College to visit your Company on 13/04/2024, to learn about operations and gain real world insights into the IT Industry.

We assure you that our students will observe the rules and regulations that are prescribed by your company and in no way will disturb the functioning of the company during the visit. Also the information which you will provide will be used for the academic purpose and further project work only.

Kindly looking ahead for your positive response.

Thanking You

Bal Kamble

Report

Date: 13/04/2024

Shripatrao Kadam Mahavidyalaya, Shirwal and BCA department had organized an industrial visit on 13 April 2024 to located 317, Rajdhani Complex , Shankar Maharaj Math , Dhankawadi , Pune 43 . The visit was organized and coordinated by Sonali Aglave, Manali Palkar and Pratiksha Bhosale Of Professor of BCA Department. We started travelling from the college campus at 8.00am via bus. Totally 16 students along with 3 coordinators faculty were there in the journey.

An industrial visit is to provide students with an insight into the corporate world. It provides students with a practical real-world perspective on different functions in organizations such as IT, Marketing, Operations etc . Moreover, it gives exposure from the academic point of view to the students. The main aim of industrial visits \ Educational trips is to give exposure to the students about the practical working environment with theoretical learning. They provide students a good opportunity to achieve full awareness about industrial practices and working.

Industrial Visit brings clarity to important management concepts, as student's practical experience firsthand how these concepts are put into action. Industrial Visit Bridge the gap between classroom theoretical training and practical learning in a real-life environment .It provides an opportunity for students to ask questions related to their area of interest. This also gives students a platform to enhance their interpersonal skills. The students get to see the best practices opted by different companies for similar work. Using the case study approach with in the visit to bring out cognitive thinking among students.
