

Rayat Shikshan Sanstha's
Yashwantaro Chavan Mahavidyalaya, Pachwad
Feedback Committee (2019-20)
Students Satisfaction Survey
Annual Report

Yashwantrao Chavan Mahavidyalaya, Pachwad has started online feedback from the academic year 2019. The first meeting of the committee held on 7th September, 2019 under the guidance of the Prin. Dr. R. D. Bawadhankar the chairman of the committee was called the meeting of all faculties for the discussion of the mechanism of the online feedback form. In the meeting it was decided to make minimum 10-12 ten questions on each feedback and should take the model of other Rayat colleges and to create login id and password. According to the suggestion of senior faculty student satisfaction survey is an important, it included 24 questions. This form is an important for the Criterion II, it covered all types of question such as Teaching and learning and campus of the college and so on. The feedbacks are the following:

- a. Feedback of the student about the teacher
- b. Feedback of the parents about the college
- c. Feedback of the Alumni
- d. Feedback of the employer
- e. Students Satisfaction Survey

In the meeting we had discussed that each faculty should motivate to fill the online feedback form. The semester-wise feedback is beneficial and useful, according to the vice-principal. The agenda and minutes of the first meeting have shown under the guidance of the Principal. Our college has Arts and Commerce streams and as per the parent-teacher scheme we allotted 25 students to each faculty and gave them the responsibility to encourage the students by filling online feedback form.

The Google form is available on the Internet. The analysis of each teacher, parent, alumni and the employer is done through the Google forms. It was very easy way to analyse the online feedback forms. This process is reasonable for the offline feedback form. There are many advantages of online feedback form

for the students. The filled online feedback form is expected minimum 60% by the committee. The NAAC will give priority to 50% only of each feedback form. In the first criterion and second criterion the question on feedback especially Students Satisfaction survey is mentioned. After the analysis of the survey we understood the opinions of the students about teaching and learning and the college campus. So, the duty of each faculty to encourage to the students to fill all questions and submits properly. The responses of the students of each feedback form are in the following table:

| Sr. No. | Name of the feedback form | Respondents |
|----------------|---|--------------------|
| 1 | Feedback of the students about Teacher | 565 |
| 2 | Feedback of the Parents about the college | 92 |
| 3 | Feedback of the Alumni | 25 |
| 4 | Feedback of the Employer | - |
| 5 | Students Satisfaction Survey | 301 |

Action Taken:

The institute collected 30% (SSS) reports from the students of Arts and Commerce by sample random method. After the filling the forms, the analysis of (SSS) was done through Google forms. The Feedback committee understood the percentage of the filling forms of the students. Then the committee called the meeting of the faculty under the guidance of the Principal and communicates the compliances to concern faculty and the department and difficulties of the students and suggested them what new step should be taken in case of teaching and learning and its improvement and other things. Principal guided to all the concern faculties about the difficulties and how to solve the problems of the students. Every faculty had agreed to the opinions the principal and the feedback committee.
