

Rajal Shikshan Sanstha's
Shripatsao Kadam Mahavidyalaya, Shirwal
PO, CO and PSO of All Courses

Department of Bachelor of Computer Applications (B.C.A.)

Programme	Programme outcomes	Programme Specific Outcomes	Course Outcomes
First Year of Bachelor of Computer Application (B.C.A.- I)	PO1. Generated skill based employable computer graduates and producing quality human resource.	PSO1. Acquainted with the basics of programming.	Sem- I Fundamental of Computers CO1: Studied the basics of computer hardware. CO2: Trained to handle computer operating system step by step CO3: Understand the role of computer hardware and software in detail
	PO2. Provided guidance and technical attitude to become excellent management professionals.	PSO2. Acquired the knowledge of the basics of computer and operating system to learn the computer system systematically.	Programming in C Part-I CO1: Studied the basics of C programming language, problem solving Techniques. CO2: Acquired the skills of writing algorithm and flowchart
	PO3. Provided sound academic base from which an advanced career in computer Application	PSO3. Studied to use software package in day to day activity	Principles of Management CO1: Studied basics of operations of business organisation and management CO2: Developed the management strategy in an organization
	PO4. Developed different software development skills in the student withy current trend in IT industry as well as Business management and to take up student at various position such as system Analyst ,System manager ,Software engineers and web designer programmers etc. in different areas of computer Application , Management and Information Technology Industry	PSO4. Studied to develop programme logic	Financial Accounting CO1: Studied systematic recording of financial transection. CO2: Trained to prepare final account in an organization. CO3: Developed decision making skill in students by using fanacial accounting
	PO5. Accepted modern technical challenges.		Office Management and Communication CO1: Developed communication skills among students and essentials of business communication. CO2: Developed skills of office management among students. CO3: Studied the importance of communication in day to day life
	PO6. Provided business related computer skills to students.		Sem- II Software Packages CO1: Trained to use software packages in day to day operations CO2: Studied MS_Excel, MS-Power point in daily life
	PO7. Trained to write code of programming languages.		Programming in C Part-II CO1: Developed skills for using C language. CO2: Studied user defined and secondary Bank Management CO1: Studied the concepts in banking CO2: Studied how to bulid optimal system while interacting in banking sectors

**Second Year
of Bachelor
of Computer
Application
(B.C.A.- II)**

PO8. Developed communication skills.

PO9. Improved database skill.

PSO1. Studied the basics of programming language C++.

PSO2. Trained to use database using MS-Access.

PSO3. Developed knowledge of web application.

Financial Accounting with Tally
CO1: Studied recording of financial transaction using Tally.
CO2: Acquainted with the accounting concepts like creation of company/ledger, purchase order by using computer.
CO3: Trained to generate invoices using tally.

Principles of Marketing
CO1: Explored concept of marketing.
CO2: Studied the marketing strategy in an organization
CO3: developed interest of student in IT Marketing.

Sem- III Cost Accounting
CO1: Studied the knowledge of basic cost concept, elements of cost etc.
CO2: Practiced to generate cost sheet.
CO3: Studied the concepts of cost reduction, profit and loss.

HRM
CO1: Inculcated the knowledge of human resource management.
CO2: Developed the knowledge of human resource planning in IT

System Analysis and Design
CO1: Designed system and system testing.
CO2: Studied the phases of software development (communication, planning, design, coding testing and deployment)
CO3: Studied the testing tool practically.

Object Oriented Programming with C++
CO1: Studied basic object oriented concept.
CO2: Studied effective class design.
CO3: Developed problem solving techniques in students using c++

Computer Oriented Statistical Methods
CO1: Studied advanced features of the numerical calculations.
CO2: Studied various types of graphs, charts etc.

Sem- IV Entrepreneurship Development
CO1: Developed entrepreneurship skills
CO2: Developed the skill of entrepreneurship among student using entrepreneurship activities.
CO3: Help the students to understand the business situation in entrepreneurship

	<p>Organizational Behaviour CO1: Studied the impact of individual, group and structure within organization. CO2: Identified required behavioural model in an organization.</p> <p>DBMS Using MS-Access CO1: Acquired the knowledge of the database management system using MS-Access. CO2: Studied to create tables using MS-Access. CO3: Studied to handle relationships between tables.</p> <p>Web Technology CO1: Developed webpages and websites using HTML. CO2: Studied java script using HTML. CO3: Trained to use hyperlinking on webpages and images.</p> <p>Computer Mathematics CO1: Studied the concepts of SET, Logic, Matrix and Graph theory</p>
PSO1. Studied Programming language JAVA and Visual Programming	<p>Sem- V Management Accounting CO1: Applied the techniques of management accounting. CO2: Studied the concepts of statistical data, business accounting in management. CO3: Inculcated Decision making, controlling, enterprise, business concept etc.</p>
PSO2. Acquainted with the relational database management system using oracle.	<p>E-Commerce CO1: Acquired the knowledge of the electronic consumer, e-commerce revolution and the role of internet CO2: Studied the trade cycle of e-Commerce. CO3: Developed interest of student in e-commerce</p>
PSO3. Studied computer networking concepts	<p>Computer Network CO1: Inculcated knowledge about different layers of OSI & TCP/IP model in a network, CO2: Studied the concepts of different types of network, topologies, cables etc. CO3: Studied to set MAC and IP address to computer</p>

<p>Third Year of Bachelor of Computer Application (B.C.A.- III)</p>	<p>PSO4. Opearted LINUX system</p>	<p>RDBMS with Oracle CO1:Studied various concept of RDBMS- SQL,Joint operation and PLSQL block. CO2:Developed Database using Oracle CO3:Studied to handle transaction in RDBMS</p> <p>Visual Programming CO1:Developed skill for writing program using C++ CO2:Studied the concepts of ADO.NET CO3:Studied how to handle .NET platform</p> <p>Sem-VI Strategic Management CO1: Studied basic concepts in streategic management and its growing importance in modern era.</p> <p>Data Mining and Data Warehousing CO1:Acquired the knowledge of data mining, data mining techniques and applications. CO2:Studied Data warehousig concepts</p> <p>Linux Operating System CO1: Operated LINUX operating system. CO2: Used various commands in Linux. CO3.Studied to write shell script.</p> <p>Java Programming CO1:Practised programming language java using JDK CO2:Studied the java programming concepts like interface,packages and appltes. CO3.Developed logic of java programming</p>

Department of Economics

Programme	Programme outcomes	Programmed Specific Outcomes	Course Outcomes
Bachelor of Arts First Year of Bachelor of Arts B.A.I	<p>PO1. Studied the role of government in promoting the market environment and competitive markets, diminishing poverty and enabling public goods supply.</p> <p>PO2. Inculcated the attitude to apply knowledge of probability for business and economic decision making.</p>	<p>PSO1. Studied the Indian economy</p> <p>PSO2. Acquired the knowledge of the financial management</p> <p>PSO3. Studied agricultural economy</p> <p>PSO4: Studied various factor of banking</p>	<p>Indian Economy: Sem.- I CO1: Studied nature and problems of Indian economics CO2: Acquainted with nature and impact of new economic reforms</p> <p>Indian Economy: Sem.-II CO1: Studied Indian economy CO2: Acquainted with the economic environment at national and international level</p>
Bachelor of Arts First Year of Bachelor of Arts B.A.II	<p>PO3. Acquired the knowledge about free trade, tariff, quota, tariff-rate quota, voluntary export restraints, production subsidy and export subsidy models in international economics.</p> <p>PO4. Imbided knowledge of investment, financial transaction and functioning of financial organizations.</p> <p>PO5. Studied the taxation and its functions in economy.</p>		<p>Banks and Financial institutions: Sem. III CO1: Acquired the knowledge of job prospectus in banks and financial sector CO2: Studied in depth knowledge of theory and practice of banks and financial institution in India</p> <p>Principles in Cooperation Sem. III CO1: Integrated knowledge and skill learned in the classroom to identify and solve the problem. CO2: Studied knowledge and developed new skills to engage in unfamiliar activities and projects.</p> <p>Macro Economics : Sem. IV CO1: Studied the public finance system of state and its impact on economy and citizens CO2: Explored the changes in Macro Economics policies and theories.</p> <p>Banks and Financial Institutions: Sem. IV CO1: Acquainted with various application in Banking CO2: Studied the nature and scope of various financial institutions</p> <p>Principles in Cooperation. Sem. IV CO1: Studied the principles in cooperation CO2: Imbided professionalism in various environments (i.e. team work, cooperation, collaboration etc)</p> <p>CO3: Adhered to the ethical standards and being accountable for their commitments</p>
			<p>Micro Economics. Sem.V CO1: Studied the market policies CO2: Studied the nature and cost of production.</p>

Bachelor of Arts
Third Year of
Bachelor of Arts
B.A.-III

Market and Pricing, Sem. VI

CO1: Acquainted with the knowledge of market structure.

CO2: Visited different markets and obtained the information regarding prices of various goods in the market.

Research Methodology in Economics Sem. V

CO1: Acquainted with basic of Research Methods in Economics

CO2: Acquainted with the basic tools in research.

Research Methodology in Economics Sem. VI

CO1: Explored various sampling techniques as a method of data collection.

CO2: Studied data processing and analysis in research.

History of Economic Thoughts Sem. V

CO1: Studied the contribution of selected Economists

CO2: Acquainted with the concepts in classical, neo-classical and modern economics

CO3: Studied the relevance of economic thoughts in 21st century

History of Economic Thoughts Sem. VI

CO1: Acquainted with the concepts in economics and various theories of neo-classical and Indian thinkers

CO2: Studied the development of Indian economic thoughts

International Economics Sem. VI

CO1: Studied the import and export system of India.

CO2: Acquainted with the basic principles that tend to govern the free flow of trade at the global level

International Economics Sem. VI

CO1: Studied the advantages and disadvantages of Liberalization, Privatization and Globalization.

CO2: Acquainted with the current issues about international trade of India.

Development of Economics Sem. VI

CO1: Developed critical thinking skills within the discipline of Economics

			<p>CO2: Studied with the view point and alternative hypothesis on economic issues. Planning of Economics Sem. VI CO1: Enabled to recognize underlying assumptions in economic models.</p> <p>CO2: Enhanced the abilities to use various economic tools for analysis.</p>
<p>Commerce First Year of Bachelor of Commerce B.Com.-I</p>	<p>PO1: Studied Indian trade and commerce PO2: Acquired the knowledge about various financial institutions PO3: Acquainted with various market policies in India</p>	<p>PSO1. Acquired knowledge of Indian economy PSO2. Studied the financial management PSO3. Acquainted with the knowledge about agricultural economy PSO4. Studied various factor of pricing</p>	<p>Micro Economics. Sem.I</p> <p>CO1: Understood market policies</p> <p>CO2: Studied the nature and cost of production.</p> <p>Micro Economics Sem. II</p> <p>CO1: Studied the structure of the market CO2: Visited various markets and obtained the information regarding prices of various goods in the market.</p> <p>CO3: Explored various factor of pricing</p> <p>Business Economics Sem. III</p> <p>CO1: Studied macro variables and various components of Macro Economics CO2: Acquainted with the national income concepts and its applications in policy making CO3: Studied the changing value of money and its impact on economy.</p> <p>CO4: Acquainted with the employment generation process through investment and consumption</p> <p>Business Economics Sem. IV</p> <p>CO1: Studied the phenomenon of trade cycle in the economy CO2: Acquired the knowledge of public finance system of state and its impact on economy and citizens of the nations CO3: Studied international trade theories, business practices and other relevant concept CO4: Acquainted with international monetary exchange system and determination of rate exchange</p>
			<p>Money and Financial System Sem. III</p> <p>CO1: Familiarized with the changing role of banking (post-1991 period)</p>

<p>Commerce First Year of Bachelor of Commerce B.Com.-II</p>		<p>CO2: Acquainted with the lending and borrowing rates along with the various mandatory reserves. Money and Financial System Sem. IV CO1: Studied the functions of the banks and financial system. CO2: Acquired the knowledge of the process of the money making in the market CO3: Studied the significance of the interbank markets and multiple money creation.</p>
<p>Commerce First Year of Bachelor of Commerce B.Com.-III</p>		<p>Business Environment Sem. V CO1: Acquainted with the business environment of Indian Economy. CO2: Studied the market policies and procedures. Business Environment Sem. VI CO1: Studied the business environment in trade and Commerce CO2: Acquainted with the economic environment at national and international level Co-operative Development Sem. V CO1: Studied the nature and scope of cooperative institutions CO2: Acquainted with the structure of cooperative institutions Co-operative Development Sem. VI CO1: Studied the cases of cooperative development CO2: Acquainted with the professional ethics in various situations</p>

Department of English

Programme	Programme Outcomes	Programme Specific Outcomes	Course Outcomes
Bachelor of Arts First Year of Bachelor of Arts (B.A.-I)	PO1. Fostered excellence in critical approach towards reading, writing thinking and analyzing	PSO1. Acquainted with literary prose, poetry, basics of grammar and communication skills in English.	Compulsory English: (Text- English for Communication) CO1: Acquainted with masterpieces in prose, poetry and short stories in English.
	PO2.Developed interdisciplinary approaches to learning.	PSO2. Trained to use English language for practical purposes.	CO2. Practiced English language for analyzing, writing and communicating in English
	PO3.Offered the opportunities for the personality development through clear understanding of self, imbibing values and humanity for active citizenship.	PSO3. Acquired various flavours of language and literature.	CO3. Generated interest in studying English grammar.
	PO4.Motivated for community involvement.	PSO4. Exposed to a good blend of old and new literary extracts to realize the beauty of English language and literature.	CO4. Studied old and new literary extracts for the advancements of knowledge in English language and literature.
	PO5.Provided need based courses and curriculum in response to intellectual, social and professional needs for career building.	PSO1.Studied selected extracts from masterpieces in prose and poetry such as drama, novel, poetry, one- act play and short stories in English.	Optional English Paper-I: (Text- Modern Indian Writing in English Translation) CO1.Familiarized with extracts from masterpieces in prose, poetry, one-act play and short stories in English.
	PO6. Inculcated soft skills, life skills and among students.	PSO2.Imbided literariness among students. PSO3.Studied figures of speeches. PSO4.Enabled to formulate their own ideas about the contents of each unit.	CO2. Acquainted the students with translated Modern Indian literature in English. CO3. Introduced the students to short story as a form of literature with reference to the texts prescribed. CO4. Developed literary competence among students.
Bachelor of Arts Second Year of Bachelor of Arts (B.A.-II)		PSO1. Familiarized with literary prose, poetry and grammar in English.	Compulsory English: (Text- English for Communication) CO1. Enabled the students to develop communication skills in English, both oral and written.
		PSO2. Trained to use English language for practical purposes.	CO2.Equipped the students with the language skills for use in their personal, academic and professional lives.
		PSO3.Inculcated various flavours of language and literature among students.	CO3. Developed the students essential employability skills.
		PSO4.Exposed to a good blend of old and new literary extracts to realize the beauty of English language and literature.	CO4.Helped the students to enter the job market with confidence and the ability to work effectively.

	PSO1. Studied and understand literature and language of cinema in detail.	Semester III Paper III Semester IV Paper V Literature and Cinema CO1. Introduced film and its relationship to literature to the students
	PSO2. Developed integrated view about cinema, language and literature.	CO2: Acquired film literacy through a working knowledge of basic film terminology
	PSO3. Exposed to the basics of film theory	CO3: Developed critical approaches to engage with film adaptations
	PSO4. Introduced students to the issues and practices of cinematic adaptations	CO4: Established a clear understanding of literature through film adaptations of literary texts
	PSO1 Acquainted and familiarized with the partition and its historical background	Semester- III Paper IV (Semester IV Paper VI) Partition Literature CO1: Created an awareness of the partition scenario among the students
	PSO2. Encouraged to make a detailed study of selected literary texts	CO2: Explained the hidden human dimensions of the partition to the students
	PSO3: Studied the portrayal of partition in detail	CO3: Elaborated on the impact of partition on society
Bachelor of Arts Third Year of Bachelor of Arts (B.A.-III)	PSO1. Familiarized with literary prose, poetry, interview techniques and vocabulary development in English	Compulsory English: English for Communication Semester V (Paper E)
	PSO2. Enabled to learn the basics of communication.	CO1. Familiarized students with masterpieces in prose, poetry and short stories in English.
	PSO3. Inculcated soft skills.	CO2. Communicated with other students and people around.
	PSO4. Motivated to think critically on the topics delivered	CO3. Practiced interview techniques
		CO4. Inculcated soft skills and their applications in the real world.
		CO5. Motivated to analyse the course content.
	PSO1. Introduced the learners to the major trends in literary criticism	Special English Semester V Paper VII Semester- VI Paper-XII Literary Criticism and Critical Appreciation CO1: Familiarized students with the major critical concepts
	PSO2. Studied the original contributions to literary criticism	CO2. Acquainted students with the various literary movements and critics
	PSO3. Practiced creative uses of language in Indian English Poetry.	CO3. Trained to write critical appreciation of poetry

	PSO1. Generated curious readers of poetry	Semester - V Paper - VIII Semester- VI Paper- XIII Understanding Poetry CO1: Introduced the students to poetry from various cultures and traditions
	PSO2. Studied the intellectual, moral and linguistic pleasures in poetry.	CO2. trained to listen and read poems aloud and to memorize lines.
	PSO1: Acquainted with the basic concepts and various types of Drama.	Semester - V Paper - IX Semester -VI Paper- XIV Understanding Drama CO1 Acquainted with basic elements, theory and types of drama.
	PSO2. Encouraged to make a detailed study of a few sample masterpieces of English	CO2. Appreciated drama in the light of various theories.
	PSO3. Developed interest to appreciate and analyze drama independently.	CO3. Studied the aesthetics of drama.
	PSO1. Introduced to the basics of novel.	Semester V Paper X Semester VI Paper XV Understanding Novel CO1. Studied theory, elements and types of novel.
	PSO2. Studied the historical development and nature of novel.	CO2. Acquainted students with different aspects and Types of novel.
	PSO3. Developed literary sensibility and sense of cultural diversity	CO3: Studied various types and masterpieces of Novel.
	PSO1: Studied the speech mechanism and English Grammar	Semester V Paper XI Semester VI Paper XVI The Structure and Function of Modern English CO1: Studied the basic sounds in English language and modern English Grammar.
	PSO2. Studied the word transcription and word stress	CO2. Studied the phonemic transcription, word-formation processes and word classes
	PSO3. Studied the types of phrases and their form and function	CO3. Studied practical usage of phrases
PO1. Inculcated deep sense of aesthetics.	PSO1. Introduced major movements in English, Modern and Postmodern Poetry	Semester- I C1: Poetry in English up to 19th century Semester- II C4: Poetry in English: Modern and Postmodern CO1: Studied the major trends and in 19th Century, Modern and Postmodern poetry .
PO2. Created sense of critical appreciation of the literary texts.	PSO2. Created literary sensibility and emotional response to the poems	CO2. Studied selected types of poetry

Master of Arts M.A. Part- I	PO3. Practiced various techniques of teaching of English language and literature.	PSO3. Exposed to the artistic and innovative use of language in poetry	CO3: Explored the poetic sensibilities
		PSO1. Introduced to major movements in Modern and Postmodern fiction	Semester- I C2: Fiction in English up to the end of 19th century Semester- I C5: Fiction in English: Modern and Postmodern CO1: Studied major trends and masterpieces in Modern and Postmodern fiction
		PSO2. Studied literature through study of selected literary texts.	CO2. Familiarized with the selected Modern and Postmodern English Fiction
		PSO3. Created literary sensibility to appreciate and expose them to artistic and innovative use of language by writers.	CO3. Studied selected American Short Fiction
		PSO1. Introduced to the basic tools essential for systematic study of language	Semester- I C3: Introduction to Modern Linguistics Semester- I C6: Sociolinguistics and Stylistics CO1 Studied structuralist views and contemporary views on language.
		PSO2. Acquainted with the basic concepts and issues in linguistics	CO2. Acquainted with major concepts in English language.
		PSO3. Introduced to various sub-disciplines of linguistics	CO3. Studied Semantics, Sociolinguistics, Stylistics and Pragmatics and its usage
		PSO1. Acquainted with the history of Indian English Literature and Literatures of SAARC Nations	E-I Semester- I Indian English Literature E-II Semester- II English Literatures of SAARC Nations CO1. Studied the colonial and post colonial Indian English and SAARC Nations Literature
		PSO2. Studied of Postmodern Indian English Novel and Literatures of SAARC Nations	CO2. Studied the narrative experiments in Postmodern Indian English and SAARC Nations Novel
		PSO3. Studied the selected masterpieces in Drama, Poetry and Short Stories of Modern Indian English Drama and SAARC Nations	CO3. Introduced the recent trends in Drama, Poetry and Short Stories of Modern Indian English Drama and SAARC Nations
	PSO1. Introduced major movements in Drama.	Semester- III C7: Drama in English up to 19th century Semester- IV C9: Drama in English: Modern & Postmodern CO1: Studied Sanskrit, Greek, Elizabethan and Realistic Drama
